

# National requirements SLOVENIA - Info for partners

---

## Classic and small-scale projects

- In the framework of Call 1, there are no special national requirements in step 1 and step 2 for Classic projects and of Small-scale projects.
- In the time of step 2 or after the call deadline, the Slovenian Alpine space contact point (ACP), will provide all checks that will be required by the Joint Secretariat (JS) in order to fulfil them. The ACP will contact each lead partner and project partner (LP/PP).
- For private entities partners: the proof of financial capacity or adequacy will have to be presented to the ACP. If needed, for the project assessment, additional questionnaire will be sent to the LP/PP.
